EDITION PHOTO

**Photo 2024 : Etincelle du regard**

For the first time, Private Choice will present an edition dedicated to photography. It will take place in a historical house, in the heart of the 16th district of Paris.

From the 6th to the 11th of November, this private home will offer the opportunity to discover and acquire photos exhibited among contemporary design.

This place will house contemporary artworks, on its three floors, executed by about twenty photographers and designers. Everything has been carefully selected by Nadia Candet and her team.
