NEW  
ADDRESS

## The magic of a historical address !

To discover the new edition of Private Choice, you have to go to the 16th arrondissement of Paris, where Berthe Morisot, Paul Valéry and Julie Manet lived. A courtyard with trees. The spirit of a studio. Luminous, inviting. Alive with art, busy with pigments, words, ideas, that Nadia Candet, has chosen to install Private Choice this autumn.

A place where art meets with life, a place predestined to shelter yet again, within its walls the rustlings of the world. "Private Choice" will echo it. An ephemeral collection of contemporary art and design with works available for purchase opened during Art Basel - Paris when the heart of Art beats in full force in Paris.
